The right hand, which is more sensitive to the touch than the left, is less sensitive than the latter to the effect of heat or cold.

THINK ABOUT YOUR HEALTH.

This is the Time to Give Attention to Your Physical Condition.

The warmer weather which will come with the approaching spring months should find you strong and in robust health, your blood pure and your appetite good. Otherwise you will be in danger of serious illness. Purify and enrich your blood with Hood's Sarsaparilla and thus "prepare for spring." This medicine makes rich, red blood and gives vigor and vitality. It will guard you against danger from the changes which will soon take place.
